Dear Skyler:

Mrs. Spanier and I received your request for information on Tuesday, April 18, 2006. Specifically, you requested from us "a copy of all of the documents regarding change in the editorial policy of the Trojan Times newspaper at Midlothian High School given to Mrs. Spanier."

Documents enclosed herein include School Board Policy 407 as adopted by the Board in March of this year and page 32 of the Midlothian High School Faculty Handbook. These records are open to the public and to Mrs. Spanier specifically. I include them because, as student activities are required to be in compliance with their provisions, these documents are responsive to your request.

There is one additional document regarding your request. The School Board Attorney has advised me that it is a personnel record containing information concerning identifiable individuals, such record which is exempt from disclosure under the Virginia Freedom of Information Act, Code of Virginia, Section 2.2-3705.1(1), and to which access is limited by the Government Data Collection and Dissemination Practices Act, Code of Virginia, §2.2-3800 through §2.2-3809. As custodian of that record, I have determined to withhold access to it as authorized by the above-reference section of the Freedom of Information Act.

The above includes all records that you requested from Mrs. Spanier and me.

Sincerely,

*Cristine E. Wilson*  
Christine E. Wilson
